

# The Care and Share Fund Community Volunteer Award

## Pat Wilcox

Pat Wilcox is the founder of Kitty City Rescue, and she is a friend and provider for homeless felines in the county.

Ms. Wilcox and Kitty City Rescue volunteers come into action when a homeless cat might be left to itself in town or out in the wilds. If left alone, these cats will breed and overrun the community. Pat and her helpers pay for spaying and neutering hundreds of cats to keep them from having thousands of kittens every year. She feeds the cats of people who can't afford to keep their cats, just so the owner won't have to give them up and the cats can stay in their homes—and not join the colonies of feral cats.

In addition, Ms. Wilcox and Kitty City Rescue houses and takes care of homeless cats, and makes them available for adoption. All cats taken in are spayed or neutered, given rabies shots and cleared of fleas or ticks. The cats are then ready for adoption in a good home. There is never a charge for adopting a cat through Kitty City Rescue, all of the animals are offered free to a good home that will take care of them properly. Kitty City does, however, accept donations to continue their good work in the community.

Some people like cats, and some don't, but Pat Wilcox *loves* cats, and she works to make sure they are cared for and kept under control. She is an emergency responder for our feline community, and that makes her a Hometown Hero in our eyes.
